Information about the Competition Music

In 2017 we tested to upload the music together with the enrolments of the dancers via internet.

In 2018 it is compulsory that the music must be uploaded with the name (and show title) of each show.

- Your federation enrolls you and your music to the different competition(s) via the IDO-website (DIES) and we download the music to be played for your show as MP3.
→ Please have a backup with you in case something does not work technically well with your music. A Backup is a MUST!

Your Team Captain should have the backup at hand to be able to replace the music enrolled by DIES immediately by a CD or USB-stick (nothing else!!!) if there is a problem.

Following IDO-Rules in 2018 all competitors must have the music uploaded when enrolled by DIES. This year it is no “perhaps” but a “MUST”.
